**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please make sure to keep broadband competition. It is imperative that we keep it possible for small business ISPs to stay competitive! Without small ISPs like Sonic Net, we would be stuck with massive companies that will eventually monopolize our connection to the internet! This is not acceptable!

We need to keep competition, so that prices are not fixed, and so that we can continue to have ISPs that value our privacy. We need more access to fiber, and high bandwidth connections. It makes business easier and life better!

Thank you,

Tenkai Kariya
